

MS SQL Server Installation Step by step

Steps : 1

<https://www.microsoft.com/en-in/sql-server/sql-server-downloads>

The screenshot shows the Microsoft SQL Server Downloads page. At the top, there are navigation links: Top downloads (underlined), SQL containers, Community, SQL tools and drivers, Get started, and Developer tools. Below this, a section titled "TOP DOWNLOADS" features four options: "SQL Server 2022 on-premises", "SQL Server on Azure", "SQL Server 2022 Developer", and "SQL Server 2022 Express". The "SQL Server 2022 Express" option is highlighted with a green border.

The screenshot shows the "SQL Server 2022 Express Edition" setup wizard. The title bar includes icons for settings, minimize, and close. The main heading is "Select an installation type:". There are three options: "Basic", "Custom", and "Download Media". The "Basic" option is highlighted with a green border. At the bottom, a note states: "SQL Server transmits information about your installation experience, as well as other usage and performance data, to Microsoft to help improve the product. To learn more about data processing and privacy controls, and to turn off the collection of this information after installation, see the [documentation](#)".

Microsoft SQL Server License Terms

YOU MUST ACCEPT THE SOFTWARE LICENSE TERMS. SEE BELOW. Please read the full license terms provided at (aka.ms/useterms).

DATA COLLECTION. The software may collect information about you and your use of the software and send that to Microsoft. Microsoft may use this information to provide services and improve Microsoft's products and services. Your opt-out rights, if any, are described in the product documentation. Some features in the software may enable collection of data from users of your applications that access or use the software. If you use these features to enable data collection in your applications, you must comply with applicable law, including getting any required user consent, and maintain a prominent privacy policy that accurately informs users about how you use, collect, and share their data. You can learn more about Microsoft's data collection and use in the product documentation and the Microsoft Privacy Statement at <https://go.microsoft.com/fwlink/?LinkId=521839>. You agree to comply with all applicable provisions of the Microsoft Privacy Statement including the SQL Server privacy supplement: <<http://go.microsoft.com/fwlink/?linkid=868444>>
